Contract Manager (m/f/d)

Type of employment: Full-time

Contract type: Permanent

Travel: occasionally

Your tasks

In this position, you are an important part of our Sales team and together with them responsible for contract negotiations with our most important customers.

- You are responsible for negotiating contracts of all kinds in German and English in accordance with the applicable domestic and foreign law. The focus is on sales contracts.
- You are the commercial contact person for customers and sales engineers.
- You advise and support the sales and quotations team during the acquisition phase in the preparation of quotations, internal approvals and the preparation of contract negotiations.
- You work on contract design, contract management and other legal issues in cooperation with the MSK Legal Team.
- You support the further development of an integrated, excellent contract management.

Your qualifications

- Successfully completed legal, business or technical studies (e.g. business law, law, industrial engineering)
- Professional experience in international contract management, preferably in a technical environment, and sound negotiation successes
- Excellent negotiation skills, a high ability to work in a team and a strategic mindset
- Strong understanding of economic connections
- Willingness to travel internationally
- Good German and English skills (written and spoken)

Our offer

- A personal work environment in a strong, innovative and future-oriented medium-sized family business
- International diversity in mixed teams with exciting projects and opportunities for promotion and development

- Extensive onboarding with an individual mentoring program
- Benefits such as an in-house restaurant, free fruit, company parties with partners, company parking, collective sport events, performance-related pay and 30 vacation days
